**MESSAGGIO
DEL PRESIDENTE.
SAM SCALIA
SAMCON, INC**

C'est un honneur pour moi de participer à nouveau cette année au financement du programme des bourses d'étude de la Fondation CIBPA, à titre de Président de la Fondation. L'éducation a toujours été une valeur essentielle pour moi. Le fait d'avoir un MBA de McGill-HEC m'a grandement aidé à construire une entreprise reconnue, Samcon. Il est primordial d'aider nos jeunes à atteindre leur plein potentiel. C'est un investissement pour l'essor de notre communauté. Un immense merci aux généreux donateurs et un bravo senti aux récipiendaires des bourses de cette année. Puisse ce coup de pouce vous aider à relever les défis stimulants que la vie vous réserve. It is with great pleasure that I accepted to be President of the CIBPA Foundation.

Education has always been important to me. I hold an MBA from McGill-HEC and the knowledge acquired in the classroom has helped me build Samcon, a well-known company. We need to help our young students achieve their full potential. By doing so, we are investing in our community by making it thrive, grow and prosper. A big thank you to the generous donors and much-felt congratulations to this year's bursary recipients. May this help you conquer the exciting challenges life brings upon you.

È un onore per me partecipare ancora quest'anno al programma delle borse di studio della CIBPA, avendo oggi il ruolo di Presidente della Fondazione. L'istruzione superiore ha sempre avuto per me un ruolo essenziale. Infatti, mi è stato di grande aiuto aver acquisito un MBA alla McGill-HEC che poi mi ha permesso di creare la Samcon, un'impresa ben conosciuta a Montreal. A mio avviso, è primordiale assistere i nostri giovani a raggiungere il loro pieno potenziale. E un investimento necessario per lo sviluppo della nostra comunità. Un immenso grazie ai nostri generosi donatori e congratulazioni sincere ai nostri borsisti di quest'anno. Che questo nostro piccolo aiuto possa aiutarvi a sormontare le difficoltà e a prendere di petto le sfide stimolanti che vi si presenteranno in futuro.

**MESSAGGIO DELLA
VICE PRESIDENTE.
CHRISTINA MACEDO
COO, THE READY GAMES**

It is a pleasure and an honor to have been given the opportunity to celebrate the most deserving students of the Canadian-Italian community. As a young Italian-Canadian, you have been given a gift that only comes from having the honor of being Italian-Canadian - its traditional values, such as hard work, persistence, perseverance and dedication - qualities of which have kept our heritage strong throughout the generations, and most likely have helped you get through one of the hardest yet most important times of your life; being a student.

Le programme de bourses d'études de la Fondation CIBPA symbolise le dévouement de notre communauté et son investissement dans son avenir. La Fondation offre aux étudiants italo-canadiens un soutien financier pour les aider à réaliser leurs rêves professionnels - en soutenant le succès de ces étudiants, ceux-ci, à leur tour, soutiendront la communauté et ses générations futures.

È così che si costruisce una comunità implicata e forte. È così che si va avanti nel cammino del successo.

To the CIBPA Foundation's 2019 bursary winners - you have so many people supporting you and your dreams. The donors and the community believe in you and have invested in your future. The CIBPA Foundation staff ensures that you are honoured for your achievements, and most of all the volunteers have invested countless hours of their time to allow these programs to thrive and that students get the support they need. Remember, as long as you are connected to your community, your community will be there for you. Take this bursary to heart because you are now part of an exclusive few that have been honored with this tradition.

L'éducation crée un changement positif, crée l'autonomisation, crée l'esprit d'entreprise et crée la durabilité.

Looking at the degrees of the 2019 bursary recipients, this cannot be truer. Their education paths have demonstrated a new change in our community, the youth are interested in the world's future, in the environment, they are interested more than ever in science, technology & entrepreneurship. Their educational paths certainly reflect this with studies in Anthropology, Experimental Medicine, Philosophy, Microbiology, Biochemistry, and so many have dreams of starting their own businesses. I am proud that this is the next generation of Canadian-Italian professionals. Our responsibility now is to support them, motivate them, encourage them and allow their ideas for change to come to fruition.

Non vedo l'ora di vedere tutto ciò che so che realizzerai! La comunità è lì per te.

Congratulations Bursary Recipients 2019! AUGURI!

MESSAGGIO DELLA DIRETTRICE GENERALE.

ALESSANDRA TROPEANO

As a past recipient, I am extremely honoured to share this wonderful moment with all of the 2019 bursary recipients. I remember my bursary ceremony like it was yesterday. I felt a moment of joy and pride, as the members and donors of my community gifted me with a bursary. I hope each and every one of you feel the same way tonight, as I encourage you to pursue your passions and dreams. The CIBPA Foundation holds a special place in the heart of our community and it is truly a legacy to cherish and to continue to bring forth in the years to come. We hope to see you become the future leaders of our community, whether it be as a future donor or a volunteer.

Today is the debut of your involvement in the Italian-Canadian community. As a bursary recipient, you now belong to a family. You will be able to attend numerous networking events hosted by both the CIBPA Foundation and the Canadian Italian Business and Professional Association (CIBPA), which will allow you to build and expand your network. You will meet wonderful donors, members and friends of these two sister organizations.

Essendo un studente meritato con una borsa di studio, si arricchisce la comunità italiana di Montreal. Congratulazioni a tutti, e benvenuti! Vorrei anche ringraziare a tutti coloro che hanno donato, e che continuano a donare. Il vostro sostegno continua ad aiutare a costruire il futuro delle prossime generazioni, contribuendo allo sviluppo della nostra comunità. Insieme celebriamo 58 anni di storia!

Lastly, I would like to thank the volunteers who have helped organize tonight's event. A special thank you to Christina Macedo, Sabrina Micozzi, Giancarlo Biferali, Alex Loffredi, Maria Altomare, and Terry Laurito for your time and dedication.

MESSAGGIO DEL PRESIDENTE DELLA CIBPA. DOMENIC DIACO

Since 1949, the Canadian Italian Business & Professional Association (CIBPA) has immensely contributed to the Italian business community to form a positive environment. CIBPA provides an opportunity to network with a diverse group of members. Memberships also contribute in the continuation of the association which has existed for 70 years. Bringing forth this legacy is something CIBPA and its members are very proud of.

As a professional organization, CIBPA welcomes and encourages young students to become members and to get involved with our association. It is important for students to build their network and contacts – and CIBPA can help you with this. As a young member (free of charge), you can benefit from the experience and membership base of an association which is part of a national network. Join us now and make your connections for your future aspirations while giving back to your community.

CIBPA Montreal is proud to have founded the CIBPA Foundation so that the legacy and tradition of supporting young students lives on. We congratulate the CIBPA Foundation board of directors, volunteers and staff members for the hard work and dedication in helping students achieve their dreams through bursaries and financial assistance. Congratulations and best wishes to all the students!

As a welcoming gift, every recipient receives a free student CIBPA membership for the year. We hope to see our future professionals at this year's CIBPA networking events and we wish you continued success. Tantissimi auguri!

Les bourses d'études de la CIBPA sont octroyées selon des critères de sélection favorisant autant le besoin financier que l'excellence académique. En plus des bourses traditionnelles, la CIBPA offre des bourses d'études basées uniquement sur des résultats académiques exceptionnels.

Le choix des récipiendaires est fait par un comité de sélection, composé de membres et amis de la CIBPA, qui révise les demandes de bourses. Chaque demande a été évalué par 2 membres du comité selon une grille de critères de sélection et les résultats vérifiés par un tiers.

This year 16 volunteers participated in the selection process. They represent a cross-section of our community; professionals and business people from many walks of life, young and old, emeritus members and executives of the CIBPA. As they meticulously review each application, the members of the selection committee are invariably impressed by the quality of the candidates who apply.

Vorrei ringraziare tutti coloro che hanno partecipato al comitato di selezione per aver generosamente dedicato il loro tempo a questa importante attività. La scelta di alcuni borsisti i tanti studenti meritevoli è un compito facile. Vorrei ringraziare Alessandra Tropeano, Direttrice della CIBPA/Fondazione CIBPA ed i suoi collaboratori, particolarmente Christina Macedo per il loro lavoro a sostegno del programma di borse di studio.

Congratulations to the bursary recipients and to all the candidates as well. The depth of your talents, your accomplishments this far and your potential augur well for the future of our community. You make us all very proud!

Mille grazie per mi avere scelta come recipiente di una borsa di studio quest'anno. Mi da molto piacere di fare parte de la comunità italiana a Montreal e sono molto in grata di avere l'opportunità d'investire questi soldi nel mio futuro. Finalmente, i soldi non fanno la felicità, però, io credo fortemente che una borsa di studio può essere un strumento importante che apri le porte. Personalmente, sono motivata a mantenere la lingua italiana viva e a continuare a investire nei miei studi e a lavorare verso i miei ambizioni professionali.

ALEXIA DE SIMONE.

I wish to take the time to thank you for your generous award. This bursary will support me during my research in chemistry, which focuses on the development of eco-friendly synthetic methodologies, with an emphasis of clean energy production and the use of sustainable materials. I sincerely hope that this work will have a beneficial impact on the world, and it wouldn't be possible without the support of my loved ones and my community. Thank you for allowing me this wonderful opportunity, and for allowing students such as myself to make the most of the graduate experience.

EMMANUELLE MIGNACCA.

Je tenais à vous remercier pour votre grande générosité. J'ai été très heureuse et reconnaissante d'apprendre que j'ai été choisie comme bénéficiaire pour votre bourse. MARIO CORRADO.

The cohesiveness of the Italian community during my post-secondary education has been inspiring. Its continued belief in the potential of young, bright minds reminds me of how fortunate I am to belong to a community that values education, hard-work and family above all else. To this end, I will continue to work hard and push myself further, in hopes of one day providing for the next generation of young, vibrant students, as you have done for me.

MASSIMO CACCIA.

Innanzitutto, vorrei ringraziare calorosamente la fondazione CIPBA e i membri del comitato delle borse di studi per l'onore che mi è stato conferito. Questa borsa mi aiuterà sicuramente ad ameliorare la mia situazione finanziaria durante il periodo di miei studi. Non dimenticherò mai questo momento e mi auguro che un giorno, sarò io a potere aiutare un giovane italo-canadese, facendo una donazione presso la vostra Fondazione.

TANIA DI CLAUDIO-GIRARD.

I am beyond grateful for the chance you have given me, and for the opportunity to start a successful career path. I have never won anything in my life let alone receive a bursary – this bursary made me more of a believer that good things do happen to those who do not give it! Having the support and faith you have in me, has made me grow stronger in every possible way.

LISA SERRAVALLE.

I would like to thank the donors and CIBPA Foundation for their continued support throughout my graduate degree. NICOLA BERTOLINI.

Sono veramente onorato e profondamente riconoscente di essere stato scelto per una borsa di studio della Fondazione CIBPA. Un incoraggiamento tangibile come questa Borsa rappresenta un grande aiuto! Spero di avere un impatto positivo nella comunità italo-canadese, e nel mondo!

RICCARDO CHMIELOWIEC.

I thank you again for your generosity and consideration. I will continue to work diligently in my studies, with the hopes of inspiring others to strive for the very best, just as you have so graciously done with me.

Vorrei profondamente ringraziare la Fondazione CIBPA per avermi scelto riguardo a una borsa di studio scolastica. Sono veramente onorata di avere questo aiuto finanziario che mi spingerà più in più a diventare un parrucchiere di grande successo con i migliori attrezzatori. Io adesso sono in grado di lavorare meglio a scuola e nella mia vita personale come parrucchiere.

SAMANTHA SCENNA.

I would like to express my deepest gratitude for the bursary that I have been selected to receive; I am honoured to have been chosen as a recipient. For a full-time student like myself, this bursary is encouraging and will be of great assistance. I sincerely thank you again for your generosity and your support that will help me achieve the goals I have set for myself.

SANTINA CONTE.

A heartfelt thank you goes out to this year's donors for their generous contributions. The bursaries that you've made possible will benefit many hard-working and ambitious young adults, regardless of the faculty they belong to. This bursary is a reminder that we have a loving Italian community that supports us in our goals, and is yet another representation of how close-knit the community is. Grazie mille for your kindness!

SARA RAHAJASON.

This bursary will not only help me maintain focus on my studies and research for this academic year and beyond, but will also make it easier to participate in other archaeological pursuits in the near future. I thank you once again for your generous support in this endeavor.

The CIBPA Foundation is an amazing initiative. Not that long ago, I was lucky enough to benefit from this very same bursary program while studying in University. A few words of advice: work hard, learn what you love, and get involved in the community as soon as you can – both in school and professional organizations. Community involvement opens doors that can be heavier than lines on a resume. It will also broaden your horizons and help guide you on your career path. Best of luck!

GIOVANNI CHIEFFALLO

Lo studio e la cultura sono le fondamenta di una vita sana e libéra.

**DESIGNED BY A
STUDENT IN OUR COMMUNITY.**

**SABRINA MICOZZI, SENTI MENTI.
DESIGN, BRANDING, SOCIAL MEDIA.**

As a multidisciplinary designer, Sabrina Micozzi is always eager in expanding her knowledge within the field of Design. Fascinated with developing innovative design strategies, and discovering different ways in enhancing individual's experiences.

Holding a background in Marketing and Graphic Design, she is currently obtaining a Major in Design at Concordia University. She is also an entrepreneur and has her own Freelance Design business called 'Senti Menti Designs'.

I am truly excited to be a part of the CIBPA Foundation's team, and re-branding their visual identity. The CIBPA Foundation's history is so important to our community, and I am truly honoured to be taking the step to emphasize it through design. I am excited for the future endeavours with the CIBPA Foundation, and creating awareness to students through different types of platforms.

I think it's important to set yourself goals everyday, whether it's short term or long term. Write it down somewhere where you can always look at it, and work on it till it's done. Always strive for improving yourself, and you'll come a long way from where you started. If people tell you that you can't do it, or that your dreams are "too big", don't listen to them. Keep that vision and mindset you have in your head, and keep working hard at it.

We are the next generation of creators, entrepreneurs, innovators, and the infinite amount of opportunities that is out there! As a Canadian-Italian University student, I would like to congratulate all of the 2019 bursary recipients! AUGURI!
